- 3YO Applications: Your child **cannot** attend kindergarten **before they have turned 3.**
- If your child turns 3 by 30 April and you would like them to start kindergarten that year, you can still enrol your child. We will hold your child's place until they are old enough to attend.

PRIORITY OF ACCESS: Eligibility criteria for prioritising enrolments.

Our kindergarten enrolment allocations are based on the Department of Education's [priority of access guidelines](#). We always recommend that families have at least a couple of options and not rely on an application at just one service, particularly where there is high demand for a service.
